

# NED-DICE ENERGY & WATER INNOVATION CENTRE

## **Follow up Session of DICEEW18 Projects in collaboration with Shell Tameer**

NED-DICE Energy & Water Innovation Centre in collaboration with shell Tameer organized a follow up session on 21st March, 2019 with an objective to take DICE Energy & Water 2018 Event's Winners to next level and support to convert their ideas into a venture. The session was held to discuss the project updates/progress and plan to develop them into a story of success. Ms. Afshan Pasha, Social Performance Lead of Shell Pakistan Ltd. along with her team and Dr. Usman Allauddin, Director NED DICE Energy & Water Innovation Center, evaluated the projects and their performance. The project teams were guided for future work.
