

NED-DICE ENERGY & WATER INNOVATION CENTRE

DICEW18 Projects Development/Commercialization Session in collaboration with Shell Tameer

NED-DICE Energy & Water Innovation Centre in collaboration with Shell Tameer organized one day session on 25th September, 2018 for the projects registered in DICE Energy & Water 2018 event. The session had objectives of teaching the students:

- (i) entrepreneurship skills
- (ii) write a business plan
- (iii) how to convert a potential idea into a successful venture
- (iv) how to get funding for the projects
- (v) how to commercialize a project
- (vi) How to prepare for the project pitching in front of industries and possible funders
